

# Meet the TEACHER

**Rhonda Lloyd**

## Welcome to 4<sup>th</sup> Grade Math!

**Hi!** I am very excited to be a part of the PTAA team of amazing teachers! I think you should know that I love Math! My passion is to create a fun and interactive environment for all my students. My goal is to challenge all my 4<sup>th</sup> graders to grow and fall in love with math. Get ready for a fabulous year!

## My Favorites!

Colors: Orange and Pink

Snack: Chips & Salsa

Drink: Coke & Starbucks

Sports Team: Texas A&M  
Football Team

Store: Hobby Lobby

## A Little Bit About Me!

I grew up in Commerce, Texas and currently live in Rowlett with my husband, Kevin. I have two incredible children that are grown up now. Dalton lives in Rowlett near us and Kamie lives in Burbank, California. I have a very cute Shih tzu named Jimbo. I love reading by the fire, watching movies, and playing games with my friends and family. My husband and I like to travel and we are very involved in our church.

## Educational Background

After spending two years at East Texas University, I transferred to Texas A&M in College Station to finish my degree in Education. I attended DBU for graduate school where I received my Master's in Counseling.

School was not always the easiest for me, but once I discovered the best way for me to learn, I loved it. It is my desire to help other students find the joy in learning. This is my 14<sup>th</sup> year teaching; and I cannot wait to discover all that is in store for us this year!

## Contact Info

I welcome all parent communication. Feel free to communicate with me through ClassTag!

Also you can email anytime.
